Every tree raises it's arms to the heavens surrendering.
Every leaf falls to the ground, it falls on it's face before Thee.

We fall on our faces before Thee, we fall on our faces before Thee

Every bird sings it's song just how You taught it to sing
Every breeze twirls and dances, it dances for our King

E GME GM A CMA CM

We twirl and dance for our King, we twirl and dance for our King

Every knee should bow in heaven and earth and underneath
Every tongue confess that Jesus Christ is King

E GME GM A CMA CM

Jesus Christ is King, Jesus Christ is King

E g#m f#m A c#m B

Oh you dead, arise with Christ, oh you slaves be made free
He is able to relieve, lay your burdens at His feet

E GME GM A CMA CM

I lay my burdens at Your feet, I lay my burdens at Your feet
